

Central Outer West Ratepayers Association

P O Box 226, GILLITTS, 3603

ACCOUNT

Our principal aim is to curb the encroachment of commerce and industry into Kloof, Stockville, Everton, Gillitts and Winston Park; it would be in your interest to join our Association as many changes are happening in our area, not always to our advantage.

We e-mail crime information for the Outer West on a weekly basis to those members who subscribe to the Association; We also attend various meetings on behalf of residents and forward notes on them.

Many times residents are frustrated that they cannot get through to the right department to get something done by the Ethekwini Council. COWRA has the contact details of the relevant personnel, and we assist members by getting things done!
